Journey with Us.

Party Time

Having a reason to stop and celebrate is always refreshing, and this month gave us a lot of reasons to celebrate.

At the end of last month, our teammates Shawn and Linda arrived back in Uganda after being gone for a little over six months. They had gone home to take their youngest child to college, and while they were there ended up seeing their oldest get

married. They had plenty of stories to share and also wanted to hear about life and ministry here during the time they were away. Needless to say, their "homecoming" was ample reason to throw a party.

We gathered shortly after their arrival to welcome them back and enjoy visiting with them again.

The celebration included games of cornhole, pingpong, badminton, lots of food, laughter and good times. What a

sweet reunion to have teammates come back after a time away.

The welcome back party happened to fall on another teammate, Phillip's, birthday. Not only did we get to celebrate the return of teammates, but we also got to celebrate his birthday. We made sure to eat lots of cake in honor of the occasion.

Just a few days after that combined party, we got to celebrate Vince's birthday as well. Several

Cultural Tid-bits

Uganda held a presidential election in February as well. Everything was peaceful which made us all very thankful. The same president was reelected for another term. He has been in power since 1986.

teammates along with some other friends from the international community gathered at a nice restaurant for an enjoyable meal. Afterwards everyone came back to our house for cake and Vince's "famous" specialty coffee drinks. That too was an evening of great fun and much laughter.

It really did feel like February was party time. I think it was good for all of us to be able to take a little time to celebrate. We'd gone through a few tough months and having the chance to laugh with each other was very refreshing. ■

Quarterly Meeting and Mens Retreat

Aside from all of our celebrating, we also had a few other gatherings in February. We had a Quarterly Meeting, one of our four times a year for all the Church of Christ missionaries in Uganda gather, here in Mbale. We enjoyed a time of fellowship with the other missionaries, and then discussed how the ministries in the different regions were going.

Directly after the Quarterly Meeting, all the guys traveled to the mens' retreat in Kenya. They enjoyed a wonderful retreat in the rain forest of Kenya doing things guys like doing. While they were gone, the ladies enjoyed some extra visiting time here in Uganda. ■

Prayer Points

- Our team is bringing over a counselor to facilitate some team building activities and individual counselor time. Pray that his time with our team is refreshing and beneficial.
- Pray for the ladies on our team as we plan a women's retreat that will be held next month right after the counselor leaves.
- Pray for continued progress for LivingStone International University. The board of higher education in Uganda meets together in March to determine whether we qualify to get a license and start the university
- Pray for us to be able to get furlough plans accomplished while still staying involved with our work and team here. It can be a difficult balance.
